ROLL CALL!

Dear Club,

Here I am sat writing this with so many of your most delicious models in front of me longing for me to start stroking my gorgeous shaft. Of particular note:

This month's volume 43.06: Connie never fails to inspire me. Raven: so pleased to see some pubic hair again. 43.05 Mia: The most gorgeous bottom in the country right now. 43.04: I beg you, more of Brett please, please please. 43.03 Aliana: So beautifully natural and loved the al fresco shots of Heather – more outside! 43.02: The

unfettered beauty of Eden. So pleased most of your girls are proud of what they have and resist the boob jobs.

Sorry, do have to remain anon but do invent a name for me!

Mr Made-Up-Name, Great Britain

Dear Sir, many thanks for your kind and detailed missive – you've singled out some of our favourite girls for attention. And because we're the listening wank bank, we've lined up a set of Brett for you in the very next issue, so make sure you don't miss that one!

Dear Club,

Being a single Mum of two boys, my life is fairly dull. Well, that was the case until one night recently. The kids were in bed and I'd just had a long bath. I was sitting by the open fire in my T-shirt, sipping a glass of wine when there was a knock at my front door. On opening the door, I was greeted by a vision of horniness; Steve, my best mate's husband. Tall, slim and very handsome, his blonde wavy hair was wet from the rain. He'd lost his dog – had I seen him? I told him I hadn't, but invited him in to dry off.

As Steve entered the lounge he took his shirt off and my eyes were drawn to his manly chest. His six-pack was to die for! It seemed like ages before he asked if he could have a towel. I quickly ran to the bathroom and found a soft towel for him. When I got back Steve was sat on the floor next to the fire, the dull glow on his chest making him even more tempting. As I handed him his towel he took my hand and pulled me towards him. He kissed me softly on the cheek as I sat beside him, then he took a sip of my wine, leant forward and kissed me full on the lips.

That was it. The next moment we had stripped each other and he was pouring wine on my tits and slowly licking and sucking it off, while one of his hands was in between my legs. My cunt was dripping as he put first one, then two fingers up me. I wanted him to fuck me but I knew I had to wait. Toni had told me what a great tease he was when it came to sex. I tried to return the favour but he insisted I just enjoy the moment. He kept pouring the wine very slowly over my body, avoiding my cunt as he worked his way down to my toes and back up to my neck. My moans must have informed him that I was in heaven.

I had cum three times and my wet throbbing cunt was begging to be fucked, but he still hadn't finished with the wine. He took a big mouthful and slowly dribbled it over my clit. It felt delicious as it ran down my cunt to my arse. Taking another mouthful, he spat it inside my hot cunt before sucking it out. By now I was screaming with ecstasy, then, very slowly, he slid his hard throbbing dick up inside me. He was so gentle it seemed unreal. Every part of my body was tingling as his slow, tender movement got faster and his thrusting harder – I thought he was going to explode.

He stopped and slowly poured more wine

COX ROCKS!

Dear Club,

You mention in that cracking photoset of Carla Cox that you've interviewed her. Where's the interview? I've seen this girl handling three 10 inch cocks at once in film, I want to see her answering questions about it. Sort it out, *Club!*
Gordon, Ipswich

The good news, Gordon, is that the interview is on its way. The bad news is that it's going to be a couple of months away. The other good news is that it's really rude.

up my now steaming cunt. I begged him not to stop fucking me, I needed him inside me so much. He slid his dick back in my cunt, gave a couple of hard thrusts, pulled out and slowly entered my arse. Oh my God, I thought I was going to pass out, the pleasure was so intense – I never wanted this to end. He fucked me harder and harder, going from my arse to my cunt, and it went on for ages. When I could feel he was about to cum, I got up so his throbbing dick was in my face. With mouth open, I swallowed him whole, sucking him deep inside me. His dick sliding in and out of my mouth felt so fucking dirty, and when he shot his spunk all over my face, like a kitten at a saucer of milk, I licked up every last drop. He tasted so sweet and good. I can't wait till the next time.

club's ROUGH GUIDE

Le Tour De France in Yorkshire? England a chance of winning at cricket? Golf 'fascinating'? What the fuck is going on in this world of sport lark? Let Matt Loxham attempt to explain...

Le Tour De France

Leeds to Paris - July 5th to 26th

The world's greatest and most gruelling cycling race begins in Yorkshire this year, the home of bitter, batter, Boycott and international ambassador for butter, Sweet Baby James Martin. But I dare say the 200 or so riders who begin Le Tour on July 5th won't be indulging too much in the stodgy local delights as ahead of them lies the small matter of a 190 kilometre slog over the Dales from Leeds to Harrogate followed by a similarly testing pedal from York to Sheffield the next day. The famous 'Grand Départ' concludes with a 160 kilometre cycle between Cambridge and London although this southern stage will naturally be a lot softer than its harder, Yorkshire-based northern counterparts.

Oh leaving the UK, Le Tour takes a quick hop across the channel for the final 18 of the 21

stages, most of which will see the peloton tested to breaking point and beyond across brutal climbs, terrifying descents and frantic sprints, punctuated by wince-inducing pile-ups and Lycra-ripping crashes. Quoting those witty little signs sad people put up in offices and so forth: 'You don't have to be mad to ride in the Tour De France, but it helps'.

At the time of writing the big news was the expected absence from the race of one Bradley Wiggins, whose rivalry with Team Sky leader Chris Froome looks to have cost Wiggo his place supporting last year's winner in his bid to land back-to-back Tours. Although a peloton 'sans sideburns' would be a huge blow for fans this side of the channel, the decision is seemingly a savvy one from Team Sky, as disruption in the ranks at Le Tour can destroy chances in a race where selfless collective effort is key to victory.

Unsurprisingly, Froomey is

the favourite to be donning the legendary 'Maillot Jaune' or 'Yellow Jersey' when the cyclists arrive on the Champs Elysees in Paris on 27th June, although he's likely to be pushed all the way by a bang-on-form Alberto Contador along with an out-of-sorts Vincenzo Nibali with plenty to prove.

Former two time Tour De France champ (2007 & 2009) Contador has already won a couple of demanding stage races this season, and insiders are suggesting he's back to his best after struggling since returning from a doping suspension which led to him being stripped of his 2010 Tour title in 2012. Nibali

on the other hand, has endured a disappointing year to date, although the talented Italian has shown he has the potential to win this race after finishing third in 2012 and taking the Giro D'Italia the following season.

Whoever prevails will have to overcome the inevitable ups and downs of one of the toughest professional sporting challenges on the planet. Plenty of good old Yorkshire grit will definitely be required...

England vs India First Test

Trent Bridge - 8th to 10th July

India's test cricket team have endured something of a fall from grace since topping the world rankings back in 2011. Recent tour losses to South Africa and New Zealand have seen Mahendra Singh Dhoni's men slump to a very disappointing fifth. Indeed, India haven't won a series away from home since those heady days of 2011. Should be a nice easy summer for England then, right? Why not even give old Freddie 'creaky knees' Flintoff a run out to celebrate his potentially misguided return to the sport? Let Beefy Botham and Alan

Lamb have a slog with the bat! Surely this one is going to be a piece of piss. Or it might be if England weren't in the middle of a similarly suspect run of form.

Humbled and humiliated by

by inexperience, with Joe Root yet to find his natural place in the order and the likes of Gary Ballance and Sam Robson offering potential but little else as things stand. With 75 Tests to his name wicketkeeper Matt Prior provides the required international pedigree, but his form with the bat has overall been fairly desperate of late, and he was unceremoniously dropped during, yes, you've guessed it, *that fucking disastrous Ashes series*.

On to the bowlers and much will be expected from seasoned pros Jimmy Anderson and Stuart Broad, although one interesting addition to the current England set-up is Liam Plunkett, who last played for the international side a full seven years ago. Sussex's Chris Jordan is a promising all-rounder with plenty to prove.

An India in freefall doing some rebuilding of their own might just be the perfect test opponents

for the *England* team, a nice little bunch of old-hands and raw

the Aussies in the winter Ashes tour, losing to the Netherlands in the T20 World Cup and generally struggling for consistency across the recent home series against Sri Lanka, Alastair Cook's charges might best be described as 'in the midst of a difficult transitional period' and at worst as 'presently shit'.

With 'potential matchwinner when interested' Kevin Pietersen having being unceremoniously booted out of the team after the Ashes debacle, off-spinner Graeme Swann retiring from international cricket during said debacle, and top-order linchpin Jonathan Trott currently one of the game's ailing players, the England team is in the process of some serious rebuilding, both physically and psychologically.

At the crease Ian Bell lacks the consistency to be the dependable senior batsman required in these times of trouble, and he's surrounded

by a host of young players who, while they might also have to find a few pointers to add to their list

The British Open Golf

Royal Liverpool - 17th to 20th July

I've never really thought of golf as being 'fascinating', more 'calming' or 'moribund' but that's how some of those in the know are describing the year so far. Bubba Watson trounced all and sundry to win by three

shots, but it's always been the fact that it's not the most exciting sport to watch, with any real hope of winning worse even than the Grand National. 156 players start The Open, many of whom will fail to make the cut, and there are always a couple of unknowns who are expected to do the unexpected.

On the flipside, perhaps the sports championship's inherent unpredictability, although that won't get me back the 25 I lost on Colin Montgomerie in 1994, now will it? Honestly, I thought he

"I think Tiger Woods and Sandy Lyle are the two players who have the best chance of winning the British Open this year. I think it's a 50/50 bet between them."

shots in the US Masters, cigar-smoking veteran Miguel Angel Jimenez became the first man over 50 to win an event on the European Tour when he clinched the Spanish Open in a tense three-way playoff. Tony McCoy shook off his spell with tennis superstar David Wozniack to win the BMW PGA Championship just one week post-break-up, and in the absence of an injured Tiger Woods, Australian Adam Scott has shot to the top of the world rankings. Okay, so perhaps I still wouldn't describe it as 'fascinating' exactly, but with The Open just around the corner it's certainly piqued my interest.

My one big quibble with golf

was a good one. Obvious contenders who might equally likely miss the cut at Royal Liverpool include the aforementioned McIlroy, Scott and Watson, and if his back problems clear up then Woods cannot be ruled out. Reigning champion Phil Mickelson and England's Justin Rose also have realistic chances, as do most of the fucking field but perhaps Nick Faldo and Sandy Lyle, still entering the tournament at the age of 78 and 82 respectively. If either of those old stagers were to go into the final day at the top of the leader board then that would be fascinating. Until then, we'll just go with Wozniack.

Nebraska

Alexander Payne's road trip drama-comedy won a lot of fans and a lot of Oscar nominations last year, but it can be a strangely dull film. As fine as Bruce Dern and Will Forte are as the leads (and June Squibb is brilliant), it meanders and plods somewhat, and sometimes strains to be profound through its photography. **B+**

Films that centre around modern or future technology always run the risk of becoming anachronistic. Director Spike Jonze sidesteps that risk by foregrounding emotions in the story of Theodore Twombly (Joaquin Phoenix), a lonely man who falls in love with an operating system (Scarlett Johansson). Despite that premise, it's a very human film, our only caveat an overlong running time. **A-**

Canon and Nikon have pretty much been bossing the Digital SLR world over the last few years, so it's good to see Fuji back in the marketplace with something that isn't out of the realms of affordability. The camera looks distinctly retro, which is a nice touch, but is packed with modern features, including a lovely adjustable LCD panel, eye-level viewfinder and a lightweight, portable feel.

But a camera lives and dies on its images, and this produces cracking ones at this price.

Pros: Image quality is brilliant
Cons: Could use touchscreen.

Sony were first to the market place with 4K, the next big thing in televisions. With TV companies – and broadcasters – retreating from 3D, the new things are 4K resolution and, occasionally, curved screens. This one is as straight as a ruler, and a thing of wonder it is too, as long as your room is big enough not to be overwhelmed by it. The pictures will have your jaw dropping, while the sound quality is brilliant, not something you can say for many TV's. The only issues are the price and the lack of 4K sources at the moment. It's a TV of one-upmanship, and a glimpse of the future.

Pros: Picture and sound are peerless.

Cons: Issues with black levels.

Sony Xperia Z2

sony.co.uk

The flagship Android smartphone in the Sony range, the Z2 follows hot on the heels of the Z1 and sorts out many of the issues we had with that handset. The 5.2 inch screen is cracking, but now comes with fine viewing angles, while the camera is one of the best you'll see in a phone, not the usual passable rubbish.

It's often overlooked, but this is a pleasure to make phone calls on – clarity is great – and battery life is excellent. The only issues? The size and the fact it can double as a hot water bottle when it's running a lot of stuff. Still, if your heating breaks down you can just fire up a bunch of apps and climb into bed with it.

Pros: Fine camera, fine phone, fine features

Cons: Costly and heats up. ☹

Our latest Teenage Licker is Alexis, a 19-year-old from Sacramento, California, who takes her licking very seriously.

"Sorry guys, I'm a lesbian," she says, "I'm strictly all about the pussy and the tits."

No apology necessary, we like those things too.

"Oh, okay. I thought you'd be offended that I wasn't into dick. Maybe later. Right now I'm at college and there's pussy everywhere!" ♣

GLOBE THEATRE

All the world's a stage, and sometimes famous ladies get their norks out on it...

Billie Piper did show us some lovely bum in *The Secret Diary of a Call Girl* but, because she was pregnant during much of the filming, there was a fair amount of body doubling as well. She has no such qualms in new series *Penny Dreadful* – a show that seems to pretend that *The League of Extraordinary Gentlemen* didn't have the same idea years ago. Eva Green is nude in it but, praise the lord, so is Billie. And yes, we'd definitely pipe her... ♣

EX, LIES & VIDEOTAPE!

When my husband, Neil, had to go away on business a couple of months back I decided to rifle his stash of porn that he keeps hidden in the garage. He thought I didn't know about the mags and videos he hides in an old toolbox, but I'm not stupid. I've nearly caught him on a couple of occasions having a quick wank over some dirty book in the bathroom.

I didn't mind anyway. We both love sex loads so I was just intrigued to see what it was that Neil didn't want me to see. Most of the mags were hardcore porn from Europe and were really explicit, but there was nothing I hadn't seen before. Grabbing the three videos hidden at the bottom of the box I headed to the lounge. The first video started with a gorgeous blonde babe in stockings, high-heeled boots and a tiny mini skirt talking to the shaking cameraman.

"Why don't you put your cock in here, baby?" she said, spreading her legs on the sofa and slipping a finger into her wet, hairless twat. I was getting turned on myself watching her act the slut, and couldn't wait for the bloke with the camera to join her and give her a good fucking.

"I want your tongue to lick me from here to here," she sighed, lifting one stockinged leg

high in the air while tracing a line in love juice from her pussy to her bumhole. Rubbing my clit through my panties, I watched as the guy filming put the camera on a tripod and moved into view.

I recognised those naked buttocks immediately. It was Neil! He was kneeling before this tart, thrusting his tongue up her dirty hole and groping her small but nicely rounded tits while she writhed around beneath him, groaning with pleasure. After my initial shock, it dawned on me that the girl getting ready to take my husband's dick was his ex-girlfriend Samantha. The room they were in was the flat he rented when I first met him four years ago. This wasn't a video of Neil being unfaithful, but an old porn film he must have made before he met me!

For some reason I found the idea of seeing my hubby screw an ex really exciting. I got out my favourite vibrator in order to make this a very dirty night indeed. By now, Neil was

enough to watch the other two tapes got me hot and wet all over again. I'll save that for my next letter, if I can hold the pen steady enough to write with!

Jennifer, Tewkesbury.

FAIR COP!

Ever since I was a little girl I always played the good cop. I think it was something to do with the uniform. It always had an effect on me – and the boys, of course! As soon as I left school I knew I wanted to be a copper and sort out all those bad lads! By 22 I was uniformed up and walking the streets in my sexy uniform, protecting the citizens of Stoke. Now as much as I love the law, there's always been something about those bad boys that just fills my lips with juice. I couldn't tell you the amount of knickers I've had to change mid-shift after arresting certain types!

Not so long ago, roughing it with villains was all just fantasy, but after a particularly

“**Neil was standing beside Samantha and she was sucking his prick for all she was worth”**

standing beside Samantha and she was sucking on his gorgeous prick for all she was worth. Her fingers were grinding in and out of her sopping gash while I did the same with my six inches of pulsating pleasure. This was fucking horny and the fact that Neil would have a fit knowing I was wanking off over it made it all the more debauched.

The film went on for nearly an hour, with my husband cumming three times (more than I ever get!) and me cumming twice as many as that. I climaxed the longest when Neil was thrusting his cock up Samantha's arse and you could still see all the spunk from their previous screw dripping out of her pussy as he banged his whole length ball-deep up her rear.

By the end of the tape I was covered in sweat and my poor fanny was begging for mercy, but I had experienced one of the best wanks of my life. And this was only Tape No. 1! What I saw when I'd recovered

long shift a few months back all that changed. I'd been asked by the detectives to join an all-night stakeout as they were short-staffed. Something to do with a bit of fraud, they said. To be honest, I was just glad to be able to sit down on shift for once, so I gladly helped out.

Within minutes I recognised one of the guys we were watching as a lad called Paul from my old college – someone I'd spent two years wanting to fuck! I eagerly watched him, reliving my teenage fuck fantasies and delighted that he was just as fit now. As I imagined him ripping off my blues, my pussy started to seep sweet juice. I hoped the other guys couldn't smell my scent of sex!

I was happy to hear he wasn't one of the guys we were after, but this gave me an excuse to pop round and check him out. So a couple of days after the guys made their arrests, I made my excuses and paid him a visit. I'd purposely worn my smuttiest crotchless silk panties, suspenders and matching bra under my crisp, clean uniform.

As I drove over to his house, I was feeling hot and horny for him. And when he gingerly opened his door, I could feel my knees almost buckle. He was just in his boxers and as I checked out his toned, muscular body I felt his eyes run up and down my body when he slowly recognised me. As soon as it clicked who I was he relaxed. And by the look in his

eyes I knew I was going to get what I wanted. Still in just his boxers he sat down next to me, admiring my uniform.

"Nice cuffs," he whispered in my ear, sending fuck vibes shooting through my body, straight down to my soaking wet pussy. He ran his finger along the inside of my leg, exciting my every nerve, and I saw his cock twitch to life in his boxers. I leant in and bit gently on his lips, pushing my 34DDs into his bare smooth chest.

In a sudden frenzy of movement Paul's cock burst through his boxers. Gasping in awe at his gorgeous, thick, sexy cock, I wrapped my lips around it and took him down deep in my throat. As I sucked, kissed and licked his member he pulled off my jumper and shirt, revealing my plump breasts. He tweaked my nipples through my bra, then unhooked it and

droplets of my cum glided down his dick muscle.

Kneeling up, I took his throbbing member back into my mouth and again kissed, licked and sucked him, but this time I tasted myself on him. With a few short groans of warning, hot cum soon shot down the back of my throat like warm cream.

Lapping and swallowing up every last drop of his love juice I finally collapsed into his strong, sweating arms. After we'd caught our breath I glanced round to see pieces of my uniform scattered round the room and remembered I should've been back at the station hours ago!

"So was that what you came round for?" said Paul through his big sexy smile. "Pretty much," I grinned. And as I put my uniform

“Gasping in awe at his thick, sexy cock, I wrapped my lips around it and took him deep”

released my boobs. Taking his cock in my hand, I guided it into my warm cleavage.

I could tell by his groaning that he was loving every second. But this was my fantasy and my pussy was screaming out to be touched! Getting up, I unzipped my trousers.

He grabbed his cock and jerked himself as I strip-teased my way out of the rest of my uniform until I was just wearing my suspenders and crotchless panties.

Lying down, legs spread open to show him my pink ripe pussy, I beckoned him to me. With the tip of his cock, smooth with pre-cum, he worked my clit until I was dripping juice all down him. I was unable to wait any longer – I desperately needed him deep inside of me. He squeezed his cock in my beating, desperate cunt. He filled up every inch of me and grabbed on to my bouncing breasts, rocking his body further into me until I couldn't take any more.

I could feel the carpet burn my peachy cheeks. The pain only intensified the pleasure of being fucked on duty! The more I thought about what I was doing the more my pussy responded to his gorgeous cock pounding me. As he circled my arse with his juice-soaked finger I exploded, nearly screaming the house down. Cum sprayed out of my pussy with such force that his chest was soaked and

“My two fingers were almost a blur as I brought myself off, staring into her eyes for approval”

back on and left, with my cum still trickling down my leg, I knew I'd be back for more.
Nicky, Stoke

HOTTY MOUTH!

I know guys absolutely love it when you do, but I've always found it difficult to talk dirty. Warren, my bloke, is a fairly understanding guy, although I know that it would make him well happy if I could sound more wanton in bed. Over the weekend, however, I reckon I've had the necessary practice, and I don't think he'd mind if he found out!

Evelyn is my best mate, and there are things that I've told her that even Warren will never find out. Despite this, I rarely talk about my sex-life, I leave that to her instead! She's had loads of men, and they always keep coming back for more, so I told her about me wanting to get Warren horny. "Oh yeah... it works every time," she replied, "men always want to think that their woman is desperate for the fucking of a lifetime from them. You've got to

relax and go with it." Sensing that I needed further explanation and encouragement, she leant forward and whispered into my ear, "You've just got to let them know how wet you are at the thought of their cock." Then she shockingly continued, "Just like how moist I am at the thought of tasting you." Although I knew she was doing this for my benefit, I still felt a grip of anticipation in the pit of my stomach.

"If only I could feel your pussy lips against my mouth," she moaned, "then I'd kiss and lick between your legs, like only a woman knows how." My heart was fluttering, and my tummy twitched as she continued more forcefully, demanding, "You need to show me where my mouth is going to fuck!" As she looked downwards with her eyes smouldering with desire, and her teeth biting down onto her lower lip, I instinctively lifted my skirt to reveal my panties. "Mmm... yes, your little mound is getting wet for me isn't it - you can't wait for my tongue to be inside you."

It was difficult to argue, as I moistened inside my knickers, before pulling them to the side. "I want it wetter," she suddenly commanded, "I want to see you frig yourself until your cunt's as wet as my fucking tongue." I dutifully began working at my clit, while Evelyn moaned her approval, repeating in a whisper, "I need that pussy," and "you're going to fuck my face." My two fingers were almost a blur as I brought myself off, staring into her eyes for approval.

"Play with your tits, I want to feel those hard nipples as I taste your juice." Keeping up my frenzied rhythm, I yanked my blouse open, scooped my right breast from my bra, and began tweaking my already erect nipple.

I was moving around on the couch, totally lost in the moment, when I sensed her head dip between my legs, before feeling her mouth around my cunt. I took my fingers away as they were replaced by the tip of her tongue lashing at my clit, whilst she drove her fingers inside me. Sensing my orgasm, she breathlessly pleaded, "I want your cum in my mouth now," and removed her fingers, clamping her mouth around me. Her hand reached up and took my nipple between her fingers, as I drove my twat against her lips screaming, "You dirty bitch!" at the top of my voice.

"See, it's not that difficult," she finally said,

grinning cheekily at me, her face glistening as she rested her head on my thigh, "your turn now." The practice I got for the next hour or so convinced me I can do it, I'll just have to change some of the words. If I do get confused, I'm sure Warren won't feel too bad when I tell him all about my lesson!

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

ANAL THERAPY

It was Sandra, my best friend, who set me up to lose my anal virginity. She didn't tell me that, of course, as I never would have gone along with it since I'm not that kind of girl. At least I wasn't. Sandra bought me a token for an all-in massage at a fancy place in town. It wasn't my birthday and, to be honest, I would have preferred a nice bottle of Merlot and an Indian take out, but she insisted that it would be good for me. "It'll change your life," she said. I rolled my eyes when she told me that. What kind of massage changed a girl's life? As it turned out, this one did. When it said all-in, it really meant 'all' and 'in'.

I laughed when I saw that I was getting a massage by 'Tiger'. Apparently all the masseurs had ridiculous names but I went absolutely silent when Tiger removed his robe. He was naked. My jaw dropped as I stared at his buff body, my eyes drawn to the hard curve of his cock. "What kind of massage is this?" I asked, with my back pressed against the door.

"It's a special massage," Tiger said. "How special is up to you."

With that cock jutting up hopefully, I had a good idea of what 'special' meant and wondered just how far I would let Tiger go. I was still wondering after he'd ripped my paper knickers off and was slowly working his hands up my spine towards my neck. It wasn't the

hands I was wondering about; it was the heat of his cock moving between the cheeks of my bum. I quivered as I felt it prod my anus, and Tiger took my quiver as a signal to push his cock down the length of my slit.

"Ooooh!" I hissed, nearly swooning as his cock parted the folds of my pussy and ran over my engorged clitoris.

"You like that?" he asked, while grinding his oiled shaft up and down from my anus to my clitoris. I'd never felt anything like it. "No, I love it. Please don't stop what you're doing to me." I wasn't talking about the way his hands were moving over my shoulders, although that probably did feel good as well. It was hard to tell since what he was doing between my legs felt amazing. Losing myself in the pleasure of it, I parted my thighs and angled my hips, willing him to push not just down but inside. I gasped as Tiger's cock caught on my pubic bone. He knew what my body was asking for and slid his cock downward into my very wet pussy.

"Oh my God!" I groaned, as he filled me with one perfect thrust. Having buried himself in me, Tiger stopped and the way he lingered filled me with erotic bliss. It was perfect.

"What do you want?" he asked.

"I want you to fuck me," I answered with a slightly sheepish tone. I didn't even know the guy's name. It seemed important. "What's your name?"

"Terrence," he said. "But I prefer Tiger when

the way that he said the words that he had used them on other women. Lots of other women. The idea of being just another conquest thrilled me. My orgasm overwhelmed me, my slick, juicy hole, spasming around the cock sawing in and out of me. The cock stopped, causing my body to surge harder.

Was he cumming inside me? Was he gifting my body with his spunk? My pussy wanted it and it drove my orgasm harder and higher. But it was what Tiger did next which changed me. He withdrew his cock from my pussy and pressed it against my anus.

Although I consider myself to be sexually adventurous, I've limited myself to fingers and tiny toys up my bum. My anus winked closed, tighter than a submarine's hatch, not allowing him to penetrate me in the slightest.

"Relax," he said, still being persistent.

"Sandra loves this part."

"You've stuck your cock up Sandra's bum?" I asked, unable to stop the mental pictures of my friend in this same position.

“Responding to my encouragement he pushed deeper, burying more of his cock inside my bum”

I'm in here." There was a twist of amusement in his voice but there was nothing funny as his cock pulled all the way out of me before pushing forward again. Every stroke started by parting the lips of my pussy before plunging right down inside me, stretching me open. I moaned with pleasure as the sensation from each stroke grew, combining and building with the sensations from the last.

"Ohhh," I moaned and angled my hips again, trying to draw Tiger's cock even more deeply into my desperate pussy. "I'm going to cum," I gasped. My heart was pounding and the blood was rushing hot through my veins. The pleasure was dizzying.

"Cum for me," Tiger growled. I knew from

"Several times," Tiger confirmed. If Sandra enjoyed it, then perhaps I would too.

"I've never done anal before," I told him, my body still squirming to keep him at bay.

"Do you want to try it with me?" he asked, pulling his cock away. My body instantly missed the touch of Tiger's cock.

"No... wait! I want to try." The words came out without me realising that I'd made a decision. "Promise to be gentle?" I asked, having second thoughts about inviting a cock into my arse.

"I'll be gentle and I'll stop if you ask me to," he answered, and pressed his cock once more against my puckered hole. Tiger used his voice to relax me while his fingers and

Med, they even have TV shows about them. How come there aren't any programmes about 30-somethings going wild in Austria? A few weeks back, my mate Graham and I went to Vienna for a cheap weekend break, intending to get a bit of culture and drink a lot of Bavarian beer. We

cock coaxed my sphincter to cooperate. By the time my muscles gave way to his pressure, I was desperate to know what his cock felt like inside my bottom.

"How does that feel?" he asked.

"Nice," I replied softly. It felt very different than having him inside my pussy, a foreign kind of pleasure. I liked it and started rocking my arse against his slow and easy strokes. Responding to my encouragement, Tiger pushed deeper, burying more and more of his cock inside my bum. I felt my ass heating up and wriggled into a position so that I could reach under myself and rub my clit and my pussy while Tiger picked up a perfect ass-fucking rhythm. Once again the pleasure built quickly and I was close to telling Tiger that he was going to make me orgasm again.

"I'm going to cum," he announced. I was right at the point of my own eruption, and only just managed to hold off. I wanted to wait for him to start spurting his jizz into my bottom as I knew that it would enhance my pleasure. I could barely breathe as Tiger thrust fast and hard into my bottom before groaning as he held his cock deep inside me. I rubbed my clitoris frantically and my body shook as I started to climax. My ass clenched uncontrollably, demanding every last drop of his cum. It was absolutely wonderful and the intensity of it left me breathless.

Tiger had cleaned himself up by the time I had recovered enough to move. He held my gown for me and kissed my lips as he wrapped it around my shoulders. Now that I was vertical, his cum was seeping from my gaping ass and sliding down my thigh. "I think I need a shower," I said.

"Did you enjoy the massage?"

"You know I did," I mumbled, feeling my body flush with the memory of what I'd let Tiger do to me. "I don't suppose you do home visits?" Terrence laughed but I wasn't joking.

"I'm not allowed..." he started to reply.

"Sandra and me together?" Terrence stopped laughing, dug into a plastic wallet and handed me his card.

"Soon?" Terrance asked, hopefully

"I'll need to check with Sandra." I also needed to thank her for the wonderful present, perhaps by offering her a special massage of my own.

Simone, London

FRAULEIN FUCKING!

Everybody knows about those sun, sea and sex holidays for pissed up teenagers in the

ended up drinking a lot of Bavarian beer and shagging three of the horniest Frauleins we'd ever seen!

We first met Anita, Mia and Greta at a bierkeller. Anita was a statuesque blonde babe in tight PVC trousers and a boob tube that barely covered her great tits. Mia was shorter, with cropped, dyed red hair and a cheeky grin while Greta was a plumpish, sexy, dark haired girl with massive knockers.

We were all pretty pissed by midnight and we'd had a night laugh with the girls, trying to communicate in broken English and flirting outrageously. I really fancied Greta even though she wasn't my usual type. There was something really horny about her, and I was well pleased when I got to snog her at the bar, her tongue thrusting into my mouth and those amazing tits squashing against

my chest. My dick was throbbing and I was desperate to fuck her when Graham told me that they'd invited us back to Mia's flat for more drinks.

It wasn't long before Greta and I were getting down to more snogging on Mia's sofa while Graham and blonde Anita lay on the floor messing around. I could see he'd managed to get his hand inside her tight trousers and was rubbing her cunt. Suddenly, I felt a hand on my crotch. Looking down, I saw flame-haired Mia yanking at my trousers. She dragged my semi-stiff dick out and plunged it straight in her mouth, sucking it hard in a couple of lovely strokes. Stunned, I realised the girls must have planned this back at the bierkeller, because Anita and Greta were both smiling as I sprawled on the settee with my knob jammed in their mate's mouth.

Graham was slow on the uptake, too wrapped up in Anita as he eased her trousers over her arse to reveal a gorgeous bald pussy. I watched Graham slide his hand back between her legs, and slip a couple of fingers into her shaven and dripping gash. Fuck, this was good! As Mia's gobbling got harder and faster, Greta decided it was time to make me very happy and pulled her top up over her

head. Her massive breasts were crammed into a huge black lace bra and her cleavage was like a fucking ravine! I nearly spurted down Mia's throat but held back and plunged my face into those heavenly soft mounds before me. What a way to suffocate to death!

Graham was by now banging Anita on the floor. Mia was bent over Anita, sucking her tits with Graham's fingers pumping in and out of her cunt. I, on the other hand, had the comely cunt of Greta rising and falling on my dick as I watched the floorshow before me with a big handful of beautiful boob in each hand.

Graham pulled his cock out of Anita and, with Mia's help, sprayed her tits with thick dollops of cum as Greta grunted faster and climaxed on my prick. She fell to her knees on the carpet and hungrily lapped at the spilt jizz on Anita's chest as Mia sucked the last drips of seed from Graham's tool. Where the fuck should I come off? I thought to myself, surveying the pile of bodies before me.

The sight of the puckered bumhole between Greta's gorgeous round buttocks soon settled that. I climbed on top of her from behind and inserted my cock slowly inside that tight tunnel of lust. Fuck, she was tight! I only got in about four or five thrusts before the spunk

rocketed out of my balls and jetted deep inside her quivering rear.

We never made it back to the hotel. The three girls kept us on the boil continually with hot lezzie action between draining our dicks at least four times each during a very long night. I don't know if it's a thing about Austrian girls in general, but all three of them liked it in the bum.

I could hardly walk up the steps to our hotel when we finally left their flat! Fuck Ayia Napa. Go for some cunt, crack and culture in the city. You'll need another holiday to recover! *Daniel, Evesham.* ♣

JENNY ♣

Ms. Laird's la...

It's one of life's regrets that we're not on Jenny's fuckbuddy list. It's probably the only chance we'd get to see her in action. She's not a porn girl. Hell, she's not even a girl/girl photos kind of girl. No, while she's filthy as hell and exudes raw sexuality, she keeps it behind closed doors when it comes to the real action.

"I love to fuck, don't get me wrong," she reveals, "but I'm a one on one girl. I love the moment, the intensity you get from being with one person, making them feel like they're all that exists. I will do some fucked up shit to make you jizz, but I won't do it in front of a camera or other people. It's all for you. And it'll be worth it. I like to leave things to the imagination, but one night with me and you'll be cuntstruck forever!" ♣

What our well-placed moles are telling us this month...

DOWN THE WIRE

Oil of Fiction!

Now we all know that black don't crack but posing as somebody half your age? This is not the movies and you are definitely not Drew Barrymore in *Never Been Kissed*. Charity Johnson, 34, pleaded guilty to failure to identify after she enrolled as a 15-year-old sophomore at an East Texas high school. Johnson was arrested after a woman who allowed Johnson to stay at her apartment discovered she wasn't a teenager. Johnson was sentenced to 85 days in jail. Keep applying the night cream love!

Fecal Flinger!

This lady wasn't in a very charitable mood when the Cure Breast Cancer Walk passed beneath her building. Police reported that the unidentified woman unleashed a torrent of rubbish from her 5th floor apartment consisting of frozen chicken breasts that left a 13-year-old girl with a welt on her forehead and roughly 10 pounds of soiled cat litter. A firefighter working at the event helped police locate the apartment of the cat khazi catapult, who initially refused to answer the door. Eventually she stated that she had worked a long shift and the racers had woken her. The offender was taken to King County Jail. Next time stuff the cat poo in your ears!

What A Whopper!

In Russia's justice system size really does matter, as one man's dongle has landed him in jail. Tomas, who stood accused of stealing a mobile phone, had recently moved to Russia from the Ukraine to live with his Aunt. On being arrested he claimed to be only 13, so the court ordered a physical examination that included looking at the meat and two veg. The doctors estimated his age as 16-17 and fit to be tried as an adult. The judge promptly threw Tomas in jail. Naturally his family is protesting with documentation that proves he's not lying and the case is under review. So being a big boy clearly can be more trouble than it's worth!

Hose the Boss?

Now we've all pointed a hose and wished to be a firefighter when we grow up. However, Randy Allen Davison, 47, who is not a firefighter, decided to live out his boyhood dream and drive a fire truck. Or it might have had more to do with impressing his female passenger when Davison entered the Bridgewater Fire Station and removed the keys and vehicle. After a 30-minute joyride, Davison returned the truck and the keys to their original position. Davison was charged with unauthorized use of a vehicle and burglary. I wonder if he got a chance to put the sirens on? ♣
